Dear Professor Naira Hovakimyan,

We acknowledge that we are identified by name as Co-Investigators to the investigation, entitled *Analysis of Separation Assurance in the Presence of Communication Failures*, that will be submitted by you to the NASA Research Announcement NNH13ZEA001N, Subtopic AFCS-1.5, and that we intend to carry out all responsibilities identified for us in this proposal.

We understand that the extent and justification of our participation as stated in this proposal will be considered during peer review in determining in part the merits of this proposal. We have read the entire proposal, including the management plan and budget, and agree that the proposal correctly describes our commitment to the proposed investigation.

For the purposes of conducting work for this investigation, our participating organization is the Naval Postgraduate School.

Sincerely,

Isaac Kaminer
